Friday 17th May 2019

Dear Parents/Carers,

First of all, I just want to say how proud I am of our Year 6 children. This week they have completed their Year 6 SATs papers with such a positive 'CAN DO' attitude. They absolutely showed fantastic resilience and did their very best to REACH their potential.

I would like to thank our amazing staff team; Mrs Green and Miss Wandless have organised the Y6 breakfast, supported by the Y5/6 Team. On behalf of the children, parents and myself, thank you so much! This enabled such a fun start to each day for the children. I would also like to thank our governors, with at least one governor monitoring the protocols of opening and delivering of these tests each day.

Our Year 6 children are so excited about their party today. Enjoy—you deserve it!

### WELL DONE TO OUR YEAR 2 SUPERSTARS!

A big well done to our Year 2 children who started their SATs this week and will continue into next week. I love the way lots of you said, 'If it is tricky, we just keep going and don't give up!' and another child said, 'Yeah like in our song!' Your calmness and determination to do your best and keep trying, makes us all so proud of you. I love the way you are just, 'taking it in your stride!' #REACH

## Sports Day—Friday 24th May

Please ensure that children have their PE kit in school every day next week. We have our field events next Thursday (which is part of PE and extended sessions).

On Friday we have Reception/KS1 Sports Day at 9:30 am and KS2 at 1:30 pm. We hope you are able to join us in supporting your child/ren. Children will ideally wear their House coloured T-shirt for their races.

In order to ensure your child enjoys this event, please ensure they have:

- A school jumper that they can take out if it is chilly.
- Sun-cream on. (Even if it doesn't look very sunny in the morning).
- PE shorts and T-shirt of their House. (If this is not possible, their plain white PE T-shirt will be fine.
- A water bottle with their name on.

## House colours for KS2 Sports Day — For KS2 children ONLY.

### AHOY ME HEARTIES!

In Reception Class this week, we enjoyed our Pirate Day. This linked to the work we have been doing within our key text 'Pirate Girl.' We had lots of fun; drawing pirate maps outside, painting our own Jolly Roger flags, decorating pirate ships with different media and materials, as well as some pirate addition using treasure. All the children looked fantastic in their outfits and loved being pirates for the day!

### CALLING ALL MINERS!

Children in years 3 and 4 are studying mining life next half term as part of their locality study in Geography and History.

We would love to hear from anyone who has experience of this, or if you have any photographs to share.

Please contact the school if you or someone you know could support with this.

Thank you.
