**Friday 20th September 2019**

Dear parents and carers,

This week our children in Year 6 have enjoyed their residential to RobinWood. They have been taking part in so many amazing activities, pushing themselves to be brave and achieve! Thank you so much to Mr Lovett, Mrs Taylor, Mrs Throp, Mr Burmo and Mr Durkan for giving up their valuable time in order to ensure the children were able to make these amazing memories. See photos on the next page and more on our Facebook page. (If you do not have Facebook, you can see any Facebook posts via our website. Scroll on the homepage)

Congratulations to so many of our children who participated in the library reading challenge during the summer holidays. Reading so many exciting books, as well as earning a lovely certificate and medal. AT RPS WE LOVE READING! YEAH! See the photo on the following page.

Before the holidays, several year groups had an opportunity to 'meet the teacher'. These were focused around children who were either just starting school or changing key stage. For other year groups, we have arranged information meetings. Please see the dates below. We hope you can join us.

The children have enjoyed the anti-bullying focus that started our term and KS1 and KS2 have captured some of their learning on a video. These are available to view on the school website, scroll down on the homepage and click on your child's phase page. (Some videos are in 2 parts). We always encourage our children to have a voice and to always SPEAK OUT when something isn't right.

I would like to officially welcome Miss Robinson to our team, who joined our pastoral team this September. She is a great addition to the team and is already supporting children and families within school.

Kidz Club runs from 7:30am and is charged at £5:50. Breakfast Club is open from 8:15am and charged at £2:50. At 8:15am, we have additional staff, it is therefore important that children arrive at the time their session have been booked. If children arrive before 8:15am, they may be charged for a full session—at £5:50. The sessions are very popular and we need your help in ensuring they run smoothly. Thank you.

During their time in school, we share much of your children's learning and experiences via our Facebook page, newsletter and the school website. In order to do this, (inline with GDPR regulations), we need signed planners in KS2 and for children in EYFS and KS1 to return their permission letter. If you have not done this yet, please can you do this as soon as possible.

Something Y6 parents have asked us for is a copy of videos we make from when their children have taken part in events such as the Reception and KS1 graduation, residential... In order to do this, we need permission to use these films to collate for children when they leave in year 6. This compilation of amazing memories would then be available to purchase when the children leave school in year 6. Please sign the separate letter that will be sent out next week to make this possible.

Many thanks
