Yr5/6	94.5%
Yr6	93.8%

Dear Parents/Carers,

We have had a wonderful week in school, and all the children have been very excited about their Christmas performances. On Wednesday, KS1 took centre stage in their nativity. They were wonderfully confident in their reading, acting, singing and dancing! #PROUD

Last night the festivities continued at the beautiful Holy Trinity Church. Thank you very much to Reverend Canon Arun John for his beautiful blessing and to Jennifer and the wardens for making this wonderful community event possible - all passed on their thanks for the very generous donations at the end of the concert. As always, thanks to Gill Hainsworth for working her magic playing the organ so skillfully for our enjoyment. The KS2 concert had a wonderful mix of: Christmas carols, funky Christmas tunes, excellent readings retelling the story of Christmas, as well as a French carol and wonderful poem. Our choir, led by Miss Newman, also shared their amazing talents.

Our children excelled and showed all of our REACH values, enjoying and achieving in every way. As always, we are grateful to you all for your support, celebrating your child's success alongside us in partnership.

As I mentioned at both performances, this is one of the most magical, but also one of the busiest times of the year for our staff. The additional work and effort that goes into the performances is immense. Juggling this, in addition to their many other responsibilities, as well as ensuring that our children have the best learning opportunities and enjoyable experiences, really does show the true commitment our staff have to our children and school. This is something that makes me proud, not just at this time of year, but all year round. On behalf of all of you, our children, myself and the school, a special, well earned THANK YOU!

Next week the excitement continues with our Reception Nativity and our Nursery Sing-A-Long. On Friday, we will also be having our Christmas Lunch and children are able to wear a Christmas jumper or T-shirt; voluntary contributions of £1 would be appreciated.

On Thursday the Enterprise Fair will be taking place from 2:45pm. In order to stagger the rush, you are able to collect your children from this time if you wish. Alternatively, you are able to collect your children at their usual time and then go to the Fair. Entrance is through the main office as usual and the exit will be through the hall doors - to help ease congestion.

On Friday the children are also able to bring in board games and toys for their afternoon fun session. (No electronic items please. Please note that children are responsible for looking after their own games - so no valuable items please).

We look forward to seeing you next week for further festivities.

Have a wonderful weekend and enjoy those quality family moments, making those special memories together with your incredible children.

Reminder – In order to ensure the children's safety
NO DOGS are allowed on the school site.

Key Dates for Autumn 2 2019-2020

Date	Event	Time
