Friday 13<sup>th</sup> November 2020

Dear Parents/Carers,

This week Miss Callaly, our History Leader, led our remembrance assembly for children in Keys Stages 1 and 2, to remember the heroes past and present who have served in our armed forces. On Remembrance Day itself, the whole school showed their respect and appreciation with a 2 minute silence at 11am.

CONGRATUATIONS TO:

Class 1- Deacon M; Class 1/2-Jack H and Class 2- Kiera C

Class 3- Ollie W; Class 3/4- Zac L and Class 4-Maisie H

Class 5 - Libby B; Class5/6- Summer D and Class 6-Holly B

Assembly Theme.

Following this, the children have been things to help others.

focusing upon how they can do

Thank you for supporting our drive to help our children to be healthy and to make healthy choices. We have had a question about popcorn and recommend that this would be a Friday treat. The quality of packed lunches has improved significantly and it is great to see children enjoying their healthy lunches.

- For children from Reception Class to Year 6, ***please return reading books on Monday.***

### KS2 Parent/Carer consultations.

Thank you to the parents/carers of children who took part in consultations this week. Completing these has enabled a very high level of engagement, even higher than normal. Teachers have enjoyed talking to you about your child's wellbeing and learning.

### COVID Update

Thank you so much for helping to keep our school community safe by wearing a face covering when entering the school site. Please note that the guidance is very clear regarding the importance of socially distancing, even when wearing a mask.

To help keep our school community safe, **we recommend wearing a face covering** when entering the school premises.

MASK

NECK GAITER

BANDANA

SCARF

Please maintain social distance 2m+ even whilst wearing a mask.

Thank you

- If you have a positive result – please email us immediately with the subject named as **POSITIVE TEST** and a copy of the conformation, so we can review any action that may need taking to keep people safe. [admin@rothwell-pri.leeds.sch.uk](mailto:admin@rothwell-pri.leeds.sch.uk)
- If your child has to isolate, they must stay at home. If they have siblings that need dropping off and you have no-one who can support you with this, please contact the school office and we will work with you to find a solution.
- PLEASE DO NOT send your child to school if they have any of the three main COVID symptoms.
- **A high temperature – this means you feel hot to touch on your chest or back ( you do not need to measure your temperature)**
- **A new continuous cough**
- **A loss or change to your sense of taste or smell**
- If you are outside, within 1 metre of another parent for 1 minute (with or without a mask) you would be classed as a close contact if they were to have the virus. People are contagious from 2 days before they even have any symptoms. This would mean you

would have to isolate for 14 days if Test and Trace had to track close contacts. Please try to maintain 2m+.

- If your child shows any of the 3 symptoms, we have to contact you to ask you to isolate as a household and anyone with symptoms must then access a test. This is the same for children across the country. As a parent myself, I understand the difficulties and additional stress this may cause, but we have to do everything we can to keep our school community as safe as possible.
- Follow the 1 way system at all times please.
- Please try to ensure only 1 family member enters the school site to drop off or collect children, in order to reduce unnecessary risks.

Thank you so much for your support today, raising money for Children in Need. The children have had a brilliant day wearing their bright, spotty clothes. They have also really enjoyed watching so many members of staff being gunged, spreading joy – thanks for being such good sports. This was completed within bubbles, with children having a great time watching!

Morrisons are always supportive of our school community and have helped us in many ways. Once again, they have stepped up to provide all of the ingredients for making the gunge. A special mention to Lindsey and for organising this and the continued support of this generous, community supermarket.

Thank you for helping to raise money for this wonderful charity. Please check out our Facebook Page to see a video of this.

### Christmas Card Competition

Every year Pinnacle, the company who manage our school, run a Christmas Card Competition – this year is no different! This competition is being offered to both KS1 and KS2 with a theme of 'Help Santa stay safe during Covid 19'. The pupils can design their card using paints, crayons pencils, felt tips or watercolour; all we ask is that the image is submitted on A4

paper. The design must be original and include the pupil's name, age (or Key stage) with the name of your school.

One lucky winner will see their design made into a 2020 Corporate Christmas Card and will also receive a fantastic Prize Package! The winning school will receive a framed copy of the pupils winning design. Additionally, each school may have up to two runners' up.

Closing Date for entries: **Monday 16<sup>th</sup> November (it could be a bust weekend!)**

Many thanks.
